Shenzhen

Meng JIANG is a partner at Merits & Tree. Ms. Jiang main practice areas include onshore and offshore PE/VC, M&A and Capital Markets, with nearly a decade of extensive experience. She has represented numerous well-known domestic and international enterprises, multinational corporations, private equity funds, and prominent entrepreneurs in providing legal services. Her work includes the cross-border structure establishment, PE/VC financing, equity incentive plans, corporate governance, and IPO projects. Her project experience spans various sectors, including blockchain and metaverse, biopharmaceuticals, high technology, artificial intelligence, internet, consumer goods, and advanced manufacturing. Ms. Jiang is able to swiftly grasp clients' commercial needs and provide targeted, practical legal advice and solutions, as well as efficient and professional legal support to startups, growing enterprises, and mature companies.

Prior to joining M&T, Ms. Jiang practiced at Jingtian & Gongcheng Law Firm.
