Beijing

Mr. Roy Rong is a partner at Beijing Merits & Tree Law Offices. His main practice areas include international trade, overseas infrastructure, machinery and electronic engineering project, greenfield investment, outbound equity M&A and commercial dispute resolution.

He has led or participated in the full-cycle legal services for dozens of large-scale international engineering and investment projects adopting EPC, BOT, IPP and other models in more than 20 countries across Asia, Africa and the Americas. His practice covers legal services such as project due diligence, drafting and review of bidding documents, commercial negotiation, dispute settlement during project implementation, claims and counterclaims, arbitration and litigation.

The industries involved mainly include infrastructure, machinery and electronic engineering, traditional energy, new energy, mining and other sectors. He provides legal support for the overseas business and cross-border commercial arbitration cases of numerous Chinese enterprises, including large central state-owned enterprises.

Prior to joining Merits & Tree Law Offices, Mr. Roy Rong served as Director of Corporate Legal Affairs, Partner and Attorney at Fortune Global 500 central SOE groups, A-share listed companies and well-known Chinese domestic law firms, with over 20 years of practical legal and management experience.
